

BRIDGET KING

A Passion for All Things Design

Meet Bridget King, the Owner and Creative Director of Captiva Design Interior Decorating and Home Staging based in Ft. Lauderdale, FL. With over 16 years of experience in the emerging Home Staging industry as a certified and accredited Staging professional, Bridget has established herself as one of South Florida's leading Home Staging subject matter experts. The goal is to help clients sell their properties and attract higher sales prices while decreasing the number of Listing days on the market. She has won acclaim from local Realtors in selling Staged homes within two days on the market.

Bridget has been featured as the "Home Stager" on networks such as DIY House Flipping Shows, "Miami Flip," and most recently HGTV's "All-Star Flip," featuring Actress, Gabrielle Union, and NBA All-Star Basketball player Dwayne Wade. Bridget's Home Staging work has also been featured on the local WPLG Channel 10 show, "South Florida Home Project".

In addition to Home Staging, Captiva Design provides customized Interior Decorating services for clients interested in updating their living spaces for their unique style for personal enjoyment. Skilled at creating beautiful designs within a variety of budgets, styles, timeframes, and requirements, Bridget guides her clients through every phase of the design process.

Bridget is a graduate of the University of Miami. She is an affiliate member of RESA, (The Real Estate Staging Association) and President, South Florida Chapter, IAHP, (International Association of Home Staging Professionals). She has been a resident of South Florida for over 35 years. Bridget's passion for design and helping people have cultivated a coaching and mentorship program for Home Stagers and Interior Decorators new to the industry, called "Stager Development." She believes that education is fundamental to any successful business. She is available for realtor workshop training and guest speaking engagements. She continues to increase her knowledge in the Home Staging and Design industry through various seminars and training opportunities to stay
